

SERVICE SKILLS AUSTRALIA AWARDS 2010

At the 2010 Service Skills Australia Conference Gala Dinner, we held our inaugural awards ceremony.

Service Skills Australia presented awards in two categories. The first was the Industry Skills Council Award for Contribution to Skills Development which was awarded to Westfield and Woolworths for their work through the Productivity Places Program.

The Industry Skills Council Award for Contribution to Skills Excellence was awarded the five World Skills trainers who coached and mentored our successful Service Industries Skillaroos:

- Floristry - Alan Randall-Smith
- Beauty - Sue Collins
- Commercial Cookery - Marion Fitzpatrick
- Hairdressing - Donna DeMaria
- Restaurant Service - Brigette Collins

These awards are our attempt to recognise those contributors who are often invisible partners in the success of registered training organisations and individuals in the vocational education and training sector.
