

# SIB10 Beauty Training Package

Version 1.2 Updates

Service Skills Australia has updated the SIB10 Beauty Training Package to version 1.2, as at December 2011. Version 1.2 has been undertaken as an Industry Skills Council (ISC) upgrade and consists of editorial amendments.

The following amendments have been made.

Section	Update
<b>Preliminary information</b>	
Mapping Tables	Qualification mapping tables updated to reflect the correct WRB04 qualification codes for the WRB40105 Certificate IV in Beauty Therapy and WRB50105 Diploma of Beauty Therapy.
	Unit mapping tables updated to reflect the correct inclusion of the dissolved unit WRBBS514A Provide superficial lymph drainage massage into the unit SIBBOS401A Perform body massage.
<b>Qualifications</b>	
SIB30110 Certificate III in Beauty Services	The unit SIRXSL001A Sell products and services has been deleted from the elective list as it is a core unit.
SIB50110 Diploma of Beauty Therapy	The units SIRXMGT002A Maintain employee relations and SIRXMGT003A Lead and manage people have been added to the elective list. These units were previously identified as imported units in SIB10 and not listed in the relevant qualifications.
SIB50210 Diploma of Salon Management	The units SIRXMGT006A Initiate and implement change; SIRXMPT001A Profile a retail market and BSBRES401A Analyse and present research information have been added to the elective list. These units were previously identified as imported units in SIB10 and not listed in the relevant qualifications.
<b>Units of Competency</b>	
SIBBCCS301A Apply the principles of skin biology to beauty treatments	The holistic assessment advice has been expanded to include assessment with the unit SIBBFAS302A Provide lash and brow treatments.
SIBBFAS405A Provide advanced facial treatments	The range statement item <b>equipment</b> may include has been updated to reflect the correct term <b>woods</b> light.
